" At the regular business meeting of the Temple Terrace P.T.A., which was held Tuesday, Feb. 1st, at the school, Mrs. Simpson, principal, stated that pet dogs are following the children to school in such large numbers it has created a problem and a nuisance. All mothers present resolved to keep the family dog at home some way and we hope the ones who were not will co-operate also.

Signed,  
Mrs. S.L. Smith
