University of South Florida Student Senate

A resolution in commemoration of Mr. Joseph Synovec's Dedication and Service

Be it resolved by the Senate of the University of South Florida Student Government assembled,

Whereas, The Student Government Senate recognizes the accomplishments and services offered over the course of the past 15 years by Mr. Joseph Synovec in his positions as the Director for Student Government, Operations at the Marshall Student Center, and as the Director of the Marshall Student Center here at the University of South Florida.

Whereas, The Student Government Senate acknowledges his oversight and contribution to the growth and development of the new Marshall Student Center from a mere blue print to the magnificent student destination it has become, thanks largely to the incorporation of attractions and amenities such as the Bull Fountain, the Sky Pad, the new Amphitheatre, and the implication of extended hours during finals which changed the Marshall Student Center into the Marshall Study Center.

Whereas, The Student Government Senate appreciates his commitment to improving customer service at the Marshall Student Center through innovative programs such as Project Disney and Project Southwest.

Whereas, His cooking is widely renowned by those privileged enough to have experienced it, as are his musical talents, exemplified by his performance of a song about the Marshall Student Center to the tune of Disney's "Under the Sea".

Therefore, be it resolved by the Senate of the University of South Florida Student Government Assembled, that on behalf of the student body, we thank Joseph Synovec for his time at the University of South Florida, extend our gratitude for all he has done, and wish him a happy retirement.
