# MBA students study finance in Kuwait

Posted January 13, 2014 at 9:29 am by [mbastudents](#)

Five USFSP MBA students and Finance Professor, Dr. Gary Patterson left Friday for a week-long visit to Kuwait. The trip is sponsored by the Kuwait Government and the students will meet with local banking, business and government officials during their visit. The students, all local working professionals in banking, finance and local government were selected for the trip based on an essay on why they should be selected for the experience.

Students will be blogging all week, please come back for updates.
