Installation of the bull on Harborwalk

Posted February 7, 2013 at 2:22 pm by [Chelsea Tatham '14](#)

Welcome to USF St. Petersburg!

An 850 pound bronze bull statue was installed today on Harborwalk in front of the University Student Center. Go Bulls!

The statue arrived wrapped up for protection during shipment.

The new bronze bull weighs about 850 pounds.

Students look on as Facilities Services staff lower the bull into position.

Facilities Services staff puts final touches on the bull's feet after unwrapping it.

Students and USF System President Judy Genshaft surround the newly unveiled bull in front of the University Student Center.

Campus Board members Judy Mitchell (left) and Bob Churuti.

USF System President Genshaft admires the new statue and snaps a photo with her personal camera.
