College of Education Teaching & Learning Presentations

Posted May 1, 2013 at 3:46 pm by [Michel Fougères](#)

Seniors in the [College of Education](#) demonstrate how they planned and executed a one or two week standards-based instructional unit in local schools this morning in Harbor Hall.

These students will graduate with a Bachelors of Science in Education with certifications in elementary education and exceptional student education and endorsements in reading and ESOL.

Students fill Harbor Hall to showcase their final projects.

Kayla Cinerar '13 (left) completed her work at Suncoast Elementary School and Monica Aguiar '13 did her work at Spring Hill Elementary

Shannon Tooker '13 completed her project with a kindergarten class at Northwest Elementary School

Michelle Thorpe '13 completed her project with a 1st grade class at North Shore Elementary School

Thuy Huynh '13 completed her project work with a 5th grade class at Ponce De Leon Elementary School.
