SHOWBOAT

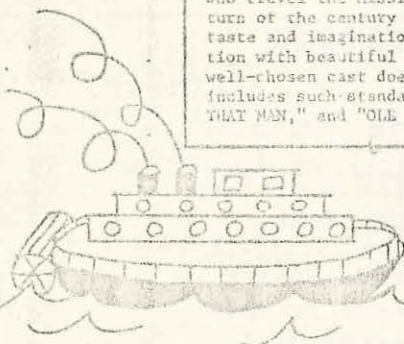

IS COMING TO THE

SHOWBOAT

DINNER THEATRE

This famous operetta starring Kathryn Grayson, Ava Gardner, Howard Keel, Agnes Moorehead, Joe E. Brown, and Alan Jones has become a classic of the American Theatre. A colorful story of a group of entertainers who travel the Mississippi River on a showboat at the turn of the century is brought to the screen with taste and imagination. A handsomely mounted production with beautiful period costumes and settings. The well-chosen cast does full justice to the score, that includes such standards as "BILLIE", "CAN'T HELP LOVIN' THAT MAN," and "OLE MAN RIVER."

This classic film will be presented by Alan Jones (father of Jack Jones) who besides this film has co-starred opposite Jeanette MacDonald in "FIREFLY" in which he introduced the song "The Donkey Serenade." Mr. Jones will narrate and present background and "lighted the scenes" production anecdotes of the filming of "SHOWBOAT." Alan Jones is currently starring in "The Happy Times" now showing at the Dinner Theatre.

No admission will be charged but donations will be accepted and given to the local drug rehabilitation program, The Seed. If you wish to attend, please give your name to the Student Activities Office so that Showboat will know how many to expect. Students, staff and faculty invited!!!

DAY CARE CENTER TO END THIS QUARTER

- DAN BEEMAN -

Day Care is a legitimate service to be provided for USFSP students. However, the past year's experiment on-campus has indicated problems with the current Center, resulting in the discontinuation of a USFSP Day Care Center. Although our Center staff are excellent, both in terms of working philosophy and quality, other problems led to this decision. Primary among these was the facility itself. The building is simply a firetrap. Secondly, the location next to the pools is very dangerous no matter how well the children were supervised. Thirdly, given this years budget cuts, the cost of operation is inordinately high, even above the income generated by the Center.

An alternative plan is being pursued and will be reviewed by the Student Affairs Committee early next week. I encourage you to communicate with your representative on that Committee.

WELCOME TO USFSP

DAN BEEMAN has been appointed director of student services for USF St. Pete, effective August 6, 1973.

Beeman, who has been an adviser in student organizations on the Tampa campus for the past year, will replace Dr. Wayne Hoffmann, who resigned to join the Eckerd College staff in June.

A veteran of the U.S. Air Force Band, Beeman has been at USF since 1968 as an undergraduate

(continued on pg. 2)

PARENTS OF DAY CARE CENTER CHILDREN have planned an informal gathering to discuss alternative methods for providing day care services for their children. Interested persons please come to the USF pool on Saturday, Aug. 4, at 4:00 p.m.
