# FROM THE EDITOR...

I feel sure the upcoming registration has brought many an undignified phrase to your lips--at least it has to mine.

Each Quarter our campus is forced to endure the dictates of Tampa and the Registrar's Office as to what day Registration will be. Why Tampa? Why do you pick the most ungodly days? I for one will be taking final exams from 1-5 P.M. Our classes never close, and we no longer pull course cards, so why December 1st?

Merely rebutting with the stock alibi "the computer made us do it" seems rather shabby to me. Would it really make any difference if we registered on Friday, December 3?

Tampa, wake up! Our fees are the same, the credits we take equal yours. Stop treating this campus like an unwanted step-child.

I call on our Student Association to get the facts and put the pressure on Tampa. Any student with the gumption to back up his grumbles should make the move now. Take and fill out the provided form. Then turn it in at the Activities Desk in Building B.
