FOR YOUR ENTERTAINMENT

An American film, **NOTHING BUT A MAN**, will be presented today in the Auditorium at 12:30 as part of the Student Activities Council's **FILM CLASSIC SERIES**.

The compelling drama of a young Negro couple trying to live with dignity in a small southern town today is a widely acclaimed prize winner. **NOTHING BUT A MAN** stars Ivan Dixon, Abbey Lincoln, Gloria Foster, and Julius Harris and was directed by Michael Roemer.

"The material is so strong, so central to everything that contemporary American film-making should be about, that it keeps your eyes open from start to finish."
--Philip Chamberlin, **FILM SOCIETY REVIEW**

PSI-CHI NOTES

The second meeting of Psi Chi, USFSP's Psychology Club is slated for Thursday, March 5 at 12:00 noon in Room 148-B. At this meeting, there will be election of officers as well as discussions and suggestions concerning trips, films and other projects. All students majoring or minoring in Psychology are invited to attend.

STARS AND STRAY FOREVER

Last Friday night a variety of interesting things happened. It was the evening of the first USFSP Hay Ride, sponsored by the Student Activities Council. The group started the night's adventure by boarding two wagons piled with hay. Then, they were off on a merry spree, pulled by 350 horses (tractor power) and swaying back and forth through the muddy meadow until they came to a lakeside rest area complete with the modern conveniences of home.

It was a festive outing. Spontaneous singing erupted as somebody pulled out a guitar. And after an exciting possum hunt, everyone devoured mounds of potato salad, cold drinks, and roasted hot dogs and marshmallows.

It was an entertaining evening for those attending, but only words to those who did not. And in the statement by one who went:

WE HAD FUN
TOO BAD YOU DIDN'T COME!

STUDENT ACTIVITIES meetings are held each week on Tuesday at 11:00 a.m. in Building E. All students are invited to attend and participate in the suggestion and development of activities for the St. Petersburg Campus. If you are unable to attend at this time, please stop by the Student Activities Office for any further comment or information.

FACT FINDER

Do you have any questions about USF? Are you stumped by some strange phenomena that you simply cannot find enough information on to satisfy your query? FACT FINDER, a weekly feature of USFSP BULLETIN, will attempt to solve such puzzles and problems that are devised, vocally or written in the Student Activities Office of Building B.

Are we ever going to have a pool table in the Student Lounge?

To pacify the throaty grumblings of certain athletically inclined students, FACT FINDER researchers have acquired the "good news" that it is coming soon! That is not meant to be another ambiguous answer—a pool table should be arriving within the next two weeks. In addition to this, athletic equipment will be available to students who find their interests directed in an out-of-doors direction. There will be a variety of sports equipment in order to appeal to many students. Those wanting equipment should come to the Student Activities Office in Building B.

FACT FINDER representatives urge all students to whittle away the winter flab and participate in a bit of athletic "fun".

CONGRATULATIONS, PHYLLIS!

ACADEMIC PUZZLE OF THE WEEK

Without consulting any written source, what is the following formula a test for in inferential statistics?

$$t = \frac{M_1 - M_2}{\sqrt{\frac{\sum x_1^2 + \sum x_2^2}{N_1 + N_2 - 2}} \left(\frac{N_1 + N_2}{N_1 N_2} \right)}$$

(Congrats)
