THE UMBRELLAS OF CHERBOURG

TODAY!

"The Umbrellas of Cherbourg" will be shown Wednesday, January 28, at 1:00 p.m. in the Auditorium as part of the Student Activities Council Film Classic Series. The program is offered FREE for all students, faculty, staff members and their guests.

The French-made film was a phenomenal success and claims many awards for its excellence including the Cannes Film Festival Grand Prize, French Critical Award, the Prix Louis Delluc, and the International Catholic Award. "Umbrellas" stars Catherine Deneuve and was directed by Jacques Demy with the musical score created by Michel Legrand.

"...a triumph of taste, spirit and style...Director Jacques Demy transforms it into a film of unique and haunting beauty...Hollywood has been performing such tricks for years, but rarely with so graceful a touch."---TIME

"It has a handsome, faultless cast of actors and it is filmed in marvelous, moist color mixed by young director Jacques Demy."---LIFE

GOOD-BYE!

Goodbye and best wishes to our friends from Muskingdom College in Ohio who spent the month of January at USFSP doing research in marine biology. We hope each of you will take back with you a ray of Florida sun as a souvenir of the Sunshine State.

Our greetings to all at Muskingdom.

FACT FINDER

Do you have any questions about USF? Are you stumped by some strange phenomena that you simply cannot find enough information on to satisfy your query? FACT FINDER, a weekly feature of USFSP BULLETIN, will attempt to solve such puzzles and problems that are deposited, vocally or written in the Student Activities Office in Building B.

Why aren't there more activities for students on this campus?

FACT FINDER representatives have heard this query circulating among many USFSP students, and they wish to settle all prevailing questions. USFSP has a specific allocation to be used solely for the students but the activities on the SP campus depend on a single factor--student interest. Any individual or group is encouraged to come to the Student Activities meetings or to the Student Activities Office in Building B to present suggestions or requests. Students have already been responsible for many new additions on campus; the film classic series is now shown on the SP campus, the purchase of adding machines and typewriters for the library is now being considered, pool table will soon be added to recreational facilities, and picnics for students will be held each quarter. Hopefully, more students will become interested and contribute to USFSP campus activities.

USFSP BULLETIN is printed weekly by students in conjunction with the Student Activities Council. Anyone having pertinent information or announcements should contact the Student Activities Office.
