Western Bird Banding Association

Founded 1925

PLAN TO ATTEND THE WBBA ANNUAL MEETING

Western Bird Banding Association and Western Field Ornithologists will have a joint meeting in Reno, Nevada, October 13-15, 1989.

Fall is a pleasant time in Reno and a variety of habitats are available for field trips. The meeting will feature demonstrations of techniques as well as research reports.

If you want to make a presentation or would like more information, contact
Alan Gubanich
Dept. of Biology, Univ. of Nevada
Reno NV 89557.
Phone (702) 784-6652 or 6188.

ALL BANDERS ARE INVITED.

BANDING REFERENCES STILL AVAILABLE

Volumes 1-12 of *North American Bird Bander* (missing one or two issues) are available for a special price of \$20 (postpaid). These issues contain a wealth of material on techniques, equipment and ageing and sexing. Complete your set now by sending your order and check to:

Richard K. Bowers
2925 North Cascada Circle
Tucson, AZ 85715.

Please make checks payable to Western Bird Banding Association. **ORDER PROMPTLY.** Supplies of some issues are limited and the earliest orders will receive the most complete sets. Offer expires September 30, 1989.

Also available is WBBA Monograph #1, "Body Weights of 686 Species of N.A. Birds," by J.B. Dunning, Jr. Send a check for \$3.75 per monograph (postpaid) to WBBA at the above address.

IF YOU ARE VISITING ALBERTA

Beaverhill Bird Observatory invites bird banders to visit their facility 70 km southeast of Edmonton, Alberta on Beaverhill Lake, 20 minutes from Tofield. For more information contact:
