Vision 20/20 Input Forums to focus on critical issues facing USFSP

Posted January 9, 2014 at 4:03 pm by [Tom Scherberger](#)

A series of six Input Forums are scheduled at the University Student Center ballroom Jan. 13-15 as part of the ongoing [Vision 20/20](#) strategic planning process.

With support from [Insyte Partners](#), a respected leadership consulting firm, the 70-member Vision Team of students, faculty, staff and community members will convene conversations about the critical questions for the future of USFSP.

The forums are designed to broaden the conversation and weigh the big ideas shaping USFSP's future that should be addressed today. The comments and suggestions made during the forums are critical to the success of this initiative and will help shape the final product.

Participants will have the opportunity to discuss the topics that are most important to them. If you would like to participate in one of these sessions, RSVP to Amy Harcar at harcar@usfsp.edu or (727) 873-4986.
