Mist nets made in Europe also available.
Please call or write if interested.

Leg Gauge: For proper determination of band sizes. Accurately machined slots correspond to inside diameter of all band sizes from 1 thru 9. The easy-to-use gauge allows pre-selection of correct band, thus eliminating the difficult job of removing improper-fitting bands. Made of durable plastic, 2-1/2"x5-1/2", with engraved lettering. Price: \$6.00 ppd. in U.S.A.

Our black, tethered, nylon nets are the best grade we can obtain in Japan. We carry 6 and 12m styles, in a variety of mesh sizes. All our thread weights are 70 denier or higher, for maximum durability and less tangle of birds. Contact us for further details and price list.

100% of AFO mist net profits are spent on activities of the Association of Field Ornithologists, including publication of the 'Journal of Field Ornithology,' and annual research grants to amateurs and students via Bergstrom Awards. Your purchase of mist nets thorough AFO makes a lasting contribution to the ornithological community.
