AFO BANDING SUPPLIES

NEW FROM AFO

In response to requests from many of our mist net customers, we have established a new arm of AFO called **AFO BANDING SUPPLIES** to supply other items used by the bird banding community. As we have for forty years, we will continue to stock and sell the highest quality mist nets in the industry, but now we will also have available such additional items as banding pliers, net pole kits, wing rules, leg gauges, head-mounted lights and magnifiers, calipers, scales (including Pesola spring scales), plastic bands from England, and bird bags . . . all stocked in Manomet, Massachusetts. Many of these items are of new and unique design and of higher quality than others available in the market--and at significantly lower prices. All profits from the sale of these products go directly to AFO to help support their research and educational activities.
