OUR FOS FIELD OBSERVATIONS COMMITTEE NEEDS YOUR SKILLS

The FOS Field Observations Committee seeks volunteers interested in joining the committee as regional compilers for counties that are currently not covered. The first region would include *Suwannee*, *Columbia*, *Gilchrist*, *Union*, and *Bradford* counties. A second region would be *Pasco*, *Hillsborough*, *Manatee*, and *Sarasota*. A third could be covered by one or multiple interested individuals: *Polk*, *Osceola*, *Hardee*, *De Soto*, *Highlands*, *Glades*, and *Okeechobee*. Responsibilities would include soliciting and compiling notable field observations for these counties at the end of each season, to be included in this report. Interested persons should contact state compiler Kevin Dailey, listed at the end of the Field Observations report in this issue.
