OUR FOS FIELD OBSERVATIONS COMMITTEE NEEDS YOUR SKILLS

The FOS Field Observations Committee seeks volunteers interested in joining the committee as regional compilers for counties that are currently uncovered. The first region would include *Suwannee*, *Columbia*, *Gilchrist*, *Union*, and *Bradford* Counties. A second region could be covered by one or several interested individuals: *Polk*, *Osceola*, *Hardee*, *De Soto*, *Glades*, and *Okeechobee* Counties. Responsibilities would include soliciting and compiling notable field observations for these counties at the end of each season, to be included in the report. Interested individuals should contact the state compiler listed at the end of this report.
