NEW EBBA NETS

EBBA is pleased to announce the availability once again of **polyester** mist nets to qualified banders. Polyester has the advantage over nylon of being more **water resistant**, thus sagging less when wet with rain or dew, and is more **sun resistant**, leading to longer **net life**.

These nets have the added advantage of **deep bag** afforded by netting that is 200 vertical meshes deep in the 1 1/4-in mesh size (50% more meshes than conventional nylon), and 150 meshes in the 1 1/2-in size. Deep bag improves **capture** and **holding** of birds in nets, and 1 1/4-in mesh size **facilitates removal** because of **less tangling**.

All are 75-denier, two-ply thread, tethered for wind protection, and 2.9 m (9.4 ft) in height. They are available as follows:

Length x Height	Mesh Size	Member Price	Non-Member Price
6m x 2.9m	1 1/4 in	USD 43	USD 49
9m x 2.9m	1 1/4 in	USD 55	USD 61
12m x 2.9m	1 1/4 in	USD 68	USD 74
12m x 2.9m	1 1/2 in	USD 67	USD 73

For further information or to place orders for immediate shipment, please contact:

Mr. Gale Smith, Chairman EBBA Net Committee
