## NEW EBBA NETS

EBBA is pleased to announce the availability once again of **polyester** mist nets to qualified banders. Polyester has the advantage over nylon of being more **water resistant**, thus sagging less when wet with rain or dew, and is more **sun resistant**, leading to longer **net life**.

These nets have the added advantage of **deep bag** afforded by netting that is 200 vertical meshes deep in the 1 1/4-in mesh size (50% more meshes than conventional nylon), and 150 meshes in the 1 1/2-in size. Deep bag improves **capture** and **holding** of birds in nets, and 1 1/4-in mesh size **facilitates removal** because of **less tangling**.

All are 75-denier, two-ply thread, tethered for wind protection, and 2.9 m (9.4 ft) in height. They are available as follows:

Length x Height	Mesh Size	Member Price	Non-Member Price
6m x 2.9m	1 1/4 in	USD 49	USD 55
6m x 2.9m	1 1/2 in	USD 45	USD 49
9m x 2.9m	1 1/4 in	USD 61	USD 66
9m x 2.9m	1 1/2 in	USD 56	USD 62
12m x 2.9m	1 1/4 in	USD 74	USD 80
12m x 2.9m	1 1/2 in	USD 73	USD 79

## The Eastern Bird Banding Association's First Monograph

This monograph summarizes and uses statistical analyses of large amounts of biological data on North American species of birds and is specifically designed to foster their use by other researchers. Hopefully, it will serve the needs of many researchers and encourage others who possess similar data to summarize and analyze them. (Funding was provided by the Eastern Bird Banding Association and the Carnegie Museum of Natural History.)

The monograph contains 184 pages including Introduction, Methods (data analysis and statistical analysis); Acknowledgments; Descriptive Statistics; Graphs and Statistical Analysis; Appendix 1, showing seasonal composition (percent) of samples of birds analyzed for this study; Appendix 2, summary of results of one-way ANOVAs for age and sex on body mass and wing length; Appendix 3, wing length cutoffs based on birds sexed by physical evidence; Literature Cited; Index of Scientific Names; Index of Common Names. **Copies are available from: Elaine Mease, 2366 Springtown Hill Rd.
