## **EBBA 2011 Annual Conference**

Join us for the 2011 annual conference of the Eastern Bird Banding Association on **1-3 April 2011**. This year's event will take place in the scenic Delaware Water Gap where the Delaware River cuts through the mountains between Pennsylvania and New Jersey. We will stay and meet in the historic Shawnee on the Delaware, a classic Pocono Mountains resort and Golf course located along the river. This century old Inn is a convenient 70 miles from New York City and located next to the Delaware River National Recreation Area. As the Delaware River is an important migration route, this location offers wonderful opportunities for birding. Our banquet speaker will be Dr. Terry Master who has been involved in groundbreaking research on the effects of the Hemlock Woolly Adelgid disease on numerous bird species who depend on the hemlock ravine habitat. Keep checking the EBBA website for details and registration information.
