SUS Deans Meeting. The deans of the colleges of education of the 12 SUS institutions in Florida met February 5 in Orlando. The agenda comprised three major areas: 1) to draft white paper about the statewide leadership role of the SUS colleges of education in professional educator development, 2) to attend a presentation by Dr. George Noell on the value added research on teacher performance and teacher preparation that he has been conducting in Louisiana as a possible model for a commissioned study for Florida, and 3) planning for the meeting with Chancellor Brogan of the BOG, originally scheduled for February 5 in Orlando. The rescheduled meeting of the group with Chancellor Brogan will be in late February.
