Information: Authorize amended Regulation USF 1.0059 and revised 2011-2012 USF St. Petersburg Graduate Catalog.

Background information:

The Florida Board of Governors Resolution (1/7/03) provides that each board of trustees may adopt regulations to implement the provisions of law conferring duties upon it. Such regulations must be adopted pursuant to the Board of Governors Regulation Development Procedure (7/21/05) and must be consistent with law and the resolutions and strategic plan of the Board of Governors. The BOG Procedure also calls for a university to monitor the effects of new regulations and periodically review existing regulations to ensure they are current and consistent.
