TO: St. Petersburg Campus Faculty

RE: Dedication Week

Events of our Dedication Week seem to be going very well, even though attendance has been low. Please remember to invite your students, friends, relatives, neighbors, non-students, non-friends, etc. to join us this week for any or all of the occasions.

On this Saturday, May 16, we all will need to meet by 9:30 in Room 138 (where we have faculty meetings) for robing and lining up. If you ordered reglia, it is due to arrive on Friday, May 15. Please have your check (payable to Collegiate Cap and Gown) ready to give Martha Daughtry when you pick up your order.

Thanks!
