1	27	This decline threatens both the core group and the Awakening's masses	27	..this has placed the continuity of the jihadist movement- and its ability to preserve its purity-under threat.
2	27	just as it also threatens the creed, identity, and existence of the ummah.	32	And there is no doubt, if things persist as they are, that we are under the threat of oppression
3	27	The continuation of this assault on the foundational principles of the ummah may eventually lead to its success.	32	under the threat of...suffering,
4	29	There is a strong need to preserve the religious, intellectual and cultural identity of the ummah and to sustain the philosophies and methodologies of the Islamic awakening and particularly its jihadist vanguard.	32	under the threat of...torture,
5	30	We stand before a military invasion armed with the newest military instruments and scientific technology, supporting the most destructive strategic plans.	32	under the threat of...hunger,
6	530	Occupying Iraq for an indefinite period of time, and thus controlling the largest oil reserve in the world, after already controlling the Gulf's and Central Asia's oil, and in turn gaining control over the world economy and freely commanding Europe, Russia, China and the Eastern part of Asia.	32	under the threat of...fear,
7			32	under the threat of...murder,

8			32	under the threat of...humiliation
9			32	under the threat of...shame
10			33	...that the size of the elite resisting invading enemies is a frighteningly small segment of the ummah.
11			33	the inherent vulnerability towards colonialism and defeat within the ummah these days.
12			33	led to the near extinction of the mujahideen.
13			35	then the jihadists will - God forbid - become extinct as a result of the enemy's security and military efforts.
14			68	Yes, we are now going through the direst of conditions
15			68	the best of our brothers have been killed
16			68	and are experiencing the epitome of tribulation.
17			68	the elite of our youth have been captured
18			68	and the rest of us have become scattered.
19			134	These days, the mujahideen are experiencing the severest trial that modern jihadists have undergone since their inception forty years ago. And this is the result of the unjust campaign that America has launched under the name of the 'war on terror'.

20			134	... the calamity of the current worldwide so-called 'war on terror'... has reached its peak after the events of September.
21			835	This generation of ours, and the one that will come after us, will pay a heavy price as a result of the corruption and abandonment of jihad on the part of the ummah in the last few hundred years, and particularly in the last century.
22			902	The jihadist-fighting creed is under severe threat of loss in today's jihadists , for its leaders are absent, and absent as well is its literature.
23			903	Little has been written about this , and much about the jihadist-fighting creed needs to be expounded on the theoretical, philosophical, jurisprudential and conduct levels.
