Dear Jim:

The University of South Florida at St. Petersburg is both pleased and excited to be able to extend an invitation to you to participate in our new campus dedication ceremonies. Since the College of Business will be your sponsor, any topic which would integrate art with economics or finance would be quite appropriate for a short lecture.

We hope the evening of May 13 will be convenient for you and we have set aside the time from 7-8 P.M. for your contribution. However, activities are scheduled for the entire week so alternate dates are available. You will receive an honorarium of \$1,000 for your time and expenses. Please bring several guests (in addition to Paul and Kay Simmons) as we will be anxious to show our new library and campus to you and your friends.

A cocktail party will be scheduled following your lecture for you to meet some of the people from the campus and the community.

Your participation in this event will ensure that the growth of the Tampa Bay area will not be without the many contributions of the arts.

Sincerely,

Hamilton W. Stirling
