Dear Lisa:

On behalf of the Juvenile Welfare Board, I want to thank you for your wonderful participation as emcee of our Cooperman-Bogue/50th Anniversary Dinner April 2. I heard many wonderful comments about how competently and pleasantly you conducted events that evening.

I also want to thank you and Channel 10 for the "good news" report about the annual winner, Joseph Hornstein. It is through reinforcement of positive messages such as the feature on Joe that others in the human services gain inspiration.

Again, thanks for everything you did. I enjoyed talking with you over dinner. And I do believe that next year, Channel 10 simply must consider a Reggie Roundtree/Lisa Foronda duo for our event!

Sincerely,

Kate Howze, Ed.D.
