Subject: Cooperman-Bogue Third and Fourth Quarter Award Winners

Just prior to yesterday's scheduled Cooperman-Bogue selection committee meeting, (15 minutes to be exact), I discovered that I had inadvertently left several nomination forms from the packet mailed to you for consideration. I apologize for this oversight.

There was a quorum at the meeting, and members recommended reviewing the nomination forms sent to them, for the purposes of disqualifying those they felt ineligible for consideration. Once that was done, they recommended doing the same for those nominations sent between the previous meeting and yesterday. Once that was accomplished, members recommended taking the remaining nominations to review and meet next **Monday, January 5, 1998, 4:00 p.m.**, to select the third and fourth quarter award winners. The meeting will be held in the fourth floor conference room at JWB.

For those committee members not present, enclosed are copies of the eligible nominations for consideration, along with a copy of the brochure with eligibility requirements (members present at yesterday's meeting already have these). I also am enclosing for all of you a list of the names for consideration. If this does not match with the nomination forms you have, or there are any other discrepancies or questions, contact me immediately. Please review the nominations and rank order them, with 1 being the highest, 2 second highest and so on. Have your rankings prepared for the meeting. When the committee meets, we will compare rank orders and select the two highest for the winners.

If you cannot make the January 5th meeting, please call me with your rank order, so that it will be tallied with the rest. Again, I apologize for my error, and any inconvenience it has caused. Thanks for your help.
