Dear Graduate and Future Alumnus:

Congratulations on your commencement! As Vice President of the St. Petersburg campus, I share with everyone here our pride in your accomplishment. I sincerely hope that we've prepared you well for your future efforts in an ever-increasing challenging and changing society.

You will receive your diploma in the mail in approximately 8 to 10 weeks after commencement. You also will receive a one-year free membership in the USF Alumni Association. The alumni association is a great way to network and make contacts. It is a meaningful way to support your alma mater, and a way to stay in contact with this campus, which cares very much about you and your future accomplishments. I do hope you will choose to not only become a member but even more important, become an active participant in USF's Pinellas County Alumni Chapter. Both the Chapter and this campus needs your continual support.

Best of luck to you in all your future endeavors. We are pleased you chose USF St. Petersburg and hope you will think of us first should you decide to return for additional courses or degrees.

Warmest wishes,

H. William Heller
Vice President
USF St. Petersburg
