RE:

St. Pete Campus dedication

I am pleased to inform you that the St. Pete Alumni Chapter has committed to give the "Alumni Professor" award during the dedication ceremonies for the new St. Pete Campus. The program was approved several months ago for presentation during the dedication ceremony.

Chapter President, Mark Thomas, will make a minimum \$250.00 award. The award total may be \$500.00 by the end of May. A joint Administrative-Alumni Committee will make the selection by early May.

Just about any program would be appropriate for the presentation, Ann. The key reception or banquet, however, would be most appropriate. The program should read:

Charter Alumni Professor Award Mr. Mark Thomas St. Petersburg Alumni Chapter

Please advise me, Ann, if you have any questions. Thank you.
