The Honorable D. Robert Graham  
Governor  
The Capitol  
Tallahassee, Florida 32301

Dear Governor Graham,

I should like you to know how pleased and honored we on the USF St. Petersburg Campus all are that you have found the time in your very busy schedule to attend our dedication ceremony on the morning of May 16th.

I know that the quality of our citizens' education has a high priority among your concerns about this state. And from having personally heard you on this subject previously, I know that your remarks will be thoughtful, to the point, and your own. I look forward to hearing you speak.

I enclose a schedule of events and speakers for that day. You will be glad to see that we are keeping the ceremony mercifully short and that you need not be held beyond 11:30 a.m. - though, if at the last minute your schedule permits, we would be most delighted to have you as our luncheon guest at the nearby St. Petersburg Yacht Club that noon.

Again, our gratitude and respect.

Very truly yours,
